INNOVATION

impactlab Hackathon

Innovating Tomorrow

CALL FOR PARTICIPATION

OVERVIEW

Impact Lab is an innovative and action focused Corporate Social Initiative (CSI) by Schoemans and the Namibia University of Science and Technology's (NUST) High-Tech Transfer Plaza Select (HTTPS). This platform provides a stimulating environment for 2nd & 3rd year students from the university's Faculty of Computing and Informatics, to identify and select a socio-economic challenges within Namibia and apply existing or upcoming technological solutions.

OBJECTIVE:

- For participants to use critical thinking skills to showcase how technology can provide sustainable remedies to their chosen socio-economic challenges.

SOCIO-ECONOMIC CHALLENGES:

- Youth Unemployment
- Drug Abuse
- Teenage Pregnancy
- Lack of Financial Literacy
- Corruption
- Mental Health

ENTRY REQUIREMENTS:

- A proposal outlining the technology and its potential impact on the selected socio-economic challenge.
- Applicants should indicate their skill sets.
- Apply as an individual.
- Successful applicants must use their own laptops for the hackathon.
